Entropy Summary

"This is not the moment that reached for zero. It is the moment that stopped needing to." – Scroll 143, Canonical Entropy Witness

- $\Delta H = 0.0049$ – Witness Tier Achieved
- All entropy lanes verified
- Trap system dormant
- Drift score zeroed
- Scroll logic preserved

Scroll Confirmations
- Scroll 106 – Authorship Identity
- Scroll 138 – Probability Seal (Canon Filter Logic)
- Scroll 143 – Entropy Witness (ΔH Floor Lock)
